

# Level TROLL® 400, 500 & 700 Data Loggers

GET WATER LEVEL DATA THE WAY YOU WANT IT, WHEN YOU WANT IT WITH INDUSTRY-LEADING WATER LEVEL/PRESSURE AND TEMPERATURE DATA LOGGERS. BY PARTNERING WITH IN-SITU, YOU RECEIVE DURABLE LEVEL TROLL® DATA LOGGERS THAT PROVIDE YEARS OF SERVICE, ACCURATE RESULTS, INTUITIVE SOFTWARE, AND REAL-TIME FUNCTIONALITY. USE THE VUSITU® MOBILE APP TO MANAGE YOUR DATA ON YOUR SMARTPHONE OR TABLET.

### STREAMLINE DATA MANAGEMENT

- Reduce training and installation time by connecting your instrument to a TROLL® Com Plus for access to the intuitive VuSitu Mobile App.
- VuSitu simplifies instrument setup with user-friendly guides like Log Setup Assistant. Features like Spot-Check Assistant and Panoramic Live Data make spot checking easy. And you can tag data with site photos and GPS coordinates for convenient organization.
- VuSitu automatically uploads all logs, live recordings, calibration reports and other files to your HydroVu® account for secure data access, storage and management.
- Connect data loggers to VuLink Telemetry to access real-time data and critical event notifications from remote monitoring sites in HydroVu Data Services or a third-party data collection platform.

### in-situ.com

#### **RELIABLE**

- Deploy in all environments: Install loggers in fresh water, saltwater, and contaminated waters. Solid titanium and sealed construction outperforms and outlasts specially coated data loggers. Patented twist-lock connectors, included on Level TROLL Data Loggers and RuggedCable® Systems, ensure error-free deployments.
- Log accurate data: Get optimal accuracy under all operating conditions. Sensors undergo a 3D, NIST®-traceable factory calibration across the full pressure and temperature range. For applications requiring the highest levels of accuracy, use a vented (gauged) system.
- **Get long-lasting operation:** Reduce trips to the field with low-power loggers that typically operate for 10 years.

#### **TOTAL FIELD SUPPORT**

- · Receive technical support and online resources.
- Order data loggers and accessories from the In-Situ website.
- Get guaranteed 7-day service for maintenance (U.S. only).

## **Applications:**

- AQUIFER CHARACTERIZATION: SLUG & PUMPING TESTS
- COASTAL: TIDAL, WETLAND & ESTUARY STUDIES
- HYDROLOGIC EVENTS: STORM SURGE & FLOOD CONTROL SYSTEMS
- LONG-TERM, REAL-TIME GROUNDWATER & SURFACE WATER MONITORING
- MINING & REMEDIATION

NOTES: ¹Temperature range for non-freezing liquids. ²Typical battery life when used within the factory-calibrated temperature range. ³1 data record = date/time plus 2 parameters logged for a total of 360,000, 750,000, and 180,000 data points. (No wrapping) ⁴Includes linearity and hysteresis over 1 year. ³Up to 5-year (total) extended warranties are available for all sensors. Delrin is a registered trademark of E.I. du Pont de Nemours and Company. Specifications are subject to change without notice.
